This policy has been written in conjunction with the college's Equality and Diversity policy (Equality Act 2010)

We believe that students achieve the best in a purposeful and interesting learning environment. Teaching and Learning are of prime importance. The results of our surveys tell us that students' attitudes to education and the promotion of a structured learning environment are vital. School uniform supports the development of a positive approach to learning and differentiates learning time in college from home and the social environment. It also promotes a sense of identity and helps students to feel a sense of pride in their College.

Students transfer from a number of primary schools. It is important that they develop allegiance to Crown Hills and identify with the College ethos.

We are proud of the multi-cultural and inclusive nature of Crown Hills and celebrate our cultural diversity.

We ensure that our uniform respects religious and cultural dress.

The College principles on uniform

- School uniform is intended to be smart, comfortable and free from fashion extremes
- School uniform is also worn to help identification and to create a more secure establishment
- The Principal's/Governors' decision on suitable items will be final
- The College will adopt a rigorous set of procedures and sanctions to maintain standards of school uniform and will enforce these standards consistently
- The College will ensure that uniform items are of good quality and value

All students must wear:
